

Lunch and Learn Virtual Series

Community Program/Services: What's new and changed since COVID-19

The Toronto West and North & East GTA Stroke Networks invite you to attend a:

Virtual Lunch & Learn for Healthcare Providers Working in Stroke Care

July 15th from 12:00-1:00 pm

The intentions of this first event are:

- To highlight programs and services available to support persons with stroke and caregivers during COVID-19
- To profile and showcase new or adapted services, initiatives, and innovations to support persons with stroke/caregivers (virtually, by telephone, or in-person)
